THE GREAT PENNSYLVANIA REMEDY FOR DISEASES OF THE BLOOD.

THE IMPROVED GUELPH HORSE CONDITION POWDERS, prepared from the original recipe of the late Dr. Locock, Licensed Physician to the Queen, and used for the cure of the various diseases to which horses are liable, such as Coughs, Colds, Inflammation of the Lungs, Pleurisy, Fevers, Mange, Surfeit, and generally from the derangement of the digestive organs, and from the effects of bad or improper food. The proprietors have therefore the highest confidence in offering them to the notice of the public, and they will be found to be the best remedy ever yet discovered for the cure of Coughs, Colds, Fevers, Inflammation of the Lungs, Pleurisy, Mange, Surfeit, and all diseases arising from impure blood.
